

FEEL ALL USED UP?

Lots of Barre People Do
Does your back ache constantly?
Do you have sharp twinges when stooping or lifting?
Feel all used up—as if you could just go no further?
Why not look to your kidneys?
Why not use Doan's Kidney Pills?
Read the statement of this nearby resident:
Mrs. Hattie F. Dodge, West Topsham, Vt., says:
"When I got up in the morning, it seemed as if my back would break. It felt as if a rope was bound tight across my kidneys, causing almost unbearable pain. I couldn't rest comfortably in any position, and I got up in the morning feeling worn-out. Doan's Kidney Pills acted directly on my kidneys and soon made them normal."
Price 50c, at all dealers'. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Dodge had. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.

Young people need clear complexions

If you find yourself "left out" because of a poor skin, and want a clear, fresh complexion, use

Resinol Soap

at least once a day. Wash thoroughly with a warm, creamy lather of it, then rinse the face with plenty of cold water.

It does not often take many days of such regular care with Resinol Soap to show an improvement, because the Resinol medication soothes and refreshes the skin, while the perfectly pure soap is cleansing it.

Resinol Soap and Gintment heal eczema and similar skin eruptions and usually stop itching instantly.
